

NPS Tactical EMS Skill Sheet - Station 3
IFAK / NPS TEMS Protocols

Objective: Demonstrate understanding of the NPS TEMS protocols and contents of personal IFAKs (Individual First Aid Kits).

Evaluation: Students will verify the contents of their IFAK, and demonstrate clear understanding of the NPS TEMS Protocols by the completion of this NPS TEMS Module. This station will allow any further questions/discussions on any of the protocols or topics covered. This will be documented on the following skill sheet

Materials:

Candidate Skill Sheet (below)

Each TEMS Provider should have their personal IFAK

NPS TEMS Protocols (electronic or printed)

Instructor Guidelines:

1. Provide each instructor with candidate skill sheet.
2. Ensure each student has all required materials.
3. Read the learning Objective and the evaluation method to the student.
4. Have each TEMS candidate verify necessary items as documented below.

Performance Steps: IFAK Content Verification:

1. Verify all contents of IFAK present. See IFAK Recommended Equipment List: General 0010-T (NPS TEMS Protocols). Each park/team may alter IFAK items, with LEMA/EMS Coordinator/WASO approval.
2. Ensure all granular hemostatic agents have been removed.

Performance Step: NPS TEMS Protocols:

1. Each TEMS student will have verbalized understanding of protocols and agrees to adherence.
