

New CME Event

Access to Quality Health Care in OB-GYN

Course Director:

Amy (Meg) Autry, MD

Professor, UCSF, Interim Chief of OBGYN, UCSF Fresno

Friday, Feb. 9, 2024

8 a.m. to 1 p.m. | Live at UCSF Fresno

UCSF Fresno

PROGRAM DESCRIPTION

Join UCSF Fresno for an OBGYN symposium featuring experts from UCSF, UCSF Fresno, and Cedars Sinai. This program will emphasize the importance of providing equitable care and improving access to services. Program attendees will gain familiarity with disparities and inequities in OBGYN and learn how to change practice and referral patterns to improve patient outcomes.

CONTINUING EDUCATION CREDIT PROVIDED

4 CME Hours

REGISTRATION FEES

- Physician: \$50
- Allied Health: \$25
- Other: \$10
- Resident, Fellow, Medical Student: **Free**
- UCSF Physician: **Free**

OBJECTIVES

1. Learn the consequences of abortion restrictions in order to identify inequities in access to reproductive health care
2. Describe disparities in diagnosis and treatment for endometrial cancer, in order to alter current practice and improve detection time and referral for treatment
3. Discuss difficulties with the state required form for permanent sterilization in order to highlight inequities in access to comprehensive reproductive health care
4. Describe how patient reported outcomes may inform hospital satisfaction scores in order to improve patient's birth experience
