

UCSF Fresno – Selective Service Registration Requirement

Federal Law requires nearly all-males (as determined by gender assigned at birth for purposes of this requirement) who are U.S. citizens or immigrants residing in the United States who are 18 through 25 years of age to register with the Selective Service System within 30 days of their 18th birthday or arrival date into the USA. Individuals are eligible to register with the Selective Service System until the age of 26. Failure to register is a violation of federal law, and can have significant penalties, including loss of eligibility for citizenship for immigrants, not allowed to work in federal facilities, etc.

Many of the UCSF Fresno GME programs require rotations at the Fresno VA Medical Center or other federal facilities to provide necessary training experiences. Trainees in programs that require VA or other federal facility rotations must be eligible to work at those facilities.

It is the responsibility of the UCSF Fresno house staff to ensure that they register for the Selective Service System if appropriate and required to do so. Prospective house staff who has not registered with the Selective Service System, should discuss this matter with their potential program director. House staff who meet the criteria for an exemption must provide a Status Information Letter from the Selective Service prior to employment and training at UCSF Fresno.

Additional details and a chart of who must register is available at: <https://www.sss.gov/register/who-needs-to-register/>

Please confirm your Selective Service Status registration at the Selective Service verification website: <https://www.sss.gov/verify/>

- If you registered, please sign the attestation below and provide a copy of your registration confirmation to our training program as required.
- If you have not registered for Selective Service, and you have exempt status, please submit a Status of Information Letter to our training program as required.

I have verified that I registered for Selective Service or that I meet criteria for an exemption.
